

Christ Community Preschool

Christ Community loves children, and we would treasure the opportunity to provide a safe place for your child to feel loved and cherished in an educational environment where teachers are gentle and kind. We are not a substitute for your home, but an extension of the home environment. Christ Community Preschool provides learning opportunities and developmentally appropriate experiences for your child. Our trained staff is committed to advocate for your child. We provide safe, age appropriate playgrounds, toys, books, equipment, and classrooms. Christ Community Preschool is a special place because of the dedicated staff, objective parents, nurturing ministers, conscientious board members, supportive Church members, and last, but certainly not least..... the wonderful children. We hope you will consider us.

Christ Community Preschool Mission Statement

Waiting List

This list will begin as soon as a class becomes full. Priority on the list is as follows:

1. Siblings of children who have attended Christ Community Preschool
2. Church members have priority over non-members who were not enrolled.
3. The Director may use discretion in balancing the class.

Special Programs

1. Children's Chapel: The children have the option of attending a chapel service one day per week.
2. "On Campus Field Trips": The special places in and around Greensboro come to us—storytellers, firefighters, etc.
3. Parent Activities: Christ Community Preschool offers our parents a number of opportunities that enable us to interact and grow together.

Adjusted Schedules

Christ Community Preschool provides your child with an ease-in schedule during the first few days of school. This allows your child to adjust from a summer at home into the routine of a day at school with new faces, places, and experiences. The adjusted schedule will be designed and delivered to you before the first day of the school year.

The Preschool was established to provide the best possible experience for children of either sex without regard to race, color, creed, or national origin.
